## EXECUTION

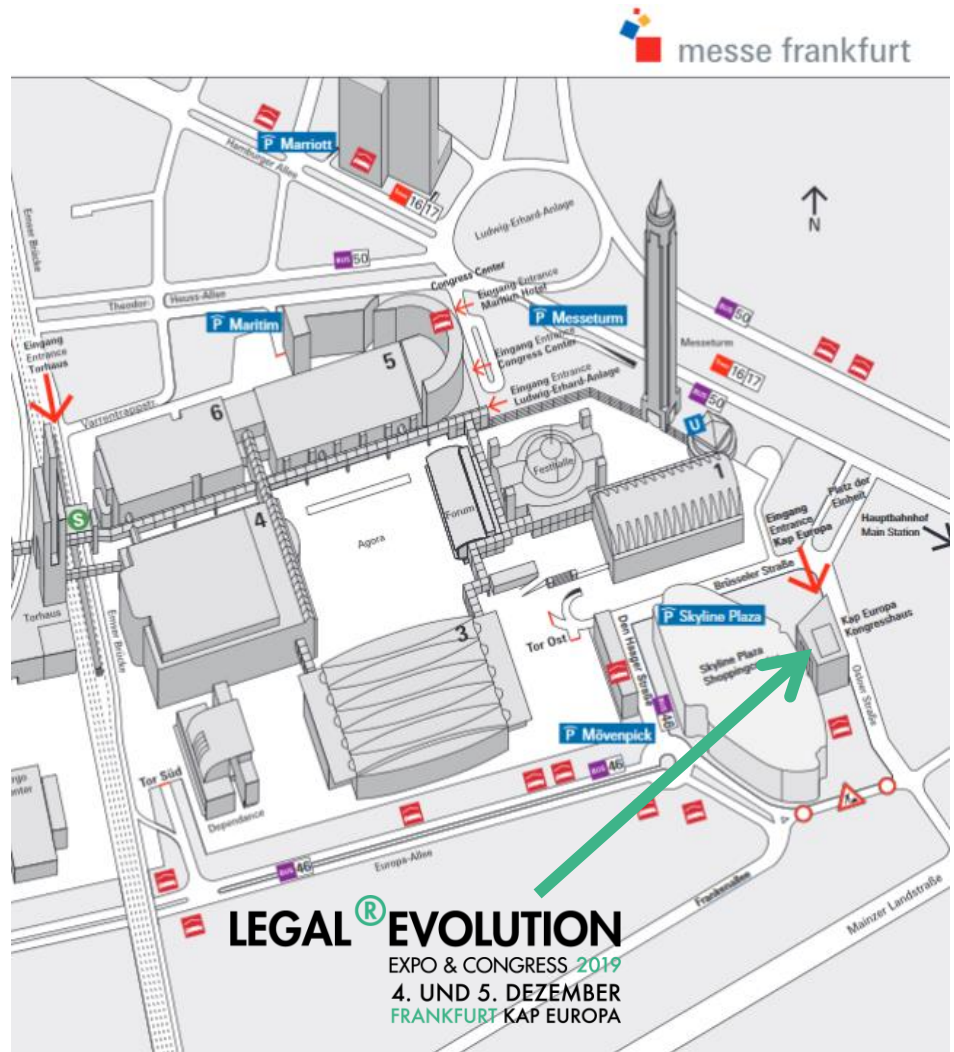

Basics	<p>The digitalization of law continues to progress and LEGAL @EVOLUTION aims to provide its visitors with in-depth information on the current issues of digital transformation, legal innovation, and legal technology for the third year in a row.</p> <p>As a speaker at LEGAL @EVOLUTION 2019, you will have the opportunity to make a formative contribution that will inspire visitors and leave a lasting impression. As a speaker, you are free to choose the topic of your presentation as long as it corresponds to the character and standards of LEGAL @EVOLUTION. A strong practical focus is just as important as a clear benefit for one or more of our main target groups - legal departments, compliance departments and/or law firms. Preferably, the topic should meet an objective and academic requirement or establish a high practical relevance to current and relevant legal innovation topics. Advertising of certain products or services is not permitted.</p> <p>The language of the lecture is English, unless otherwise agreed upon with us.</p>
